Position Title: **Cost Accountant**

Job Type: Full-Time

Experience: Accounting - 3 years

GS Global Resources, a growing distributor, integrator, and manufacturer located in Mukwonago WI, is known nationally as a supplier of mobile and industrial hydraulic and electronic control systems. We have an immediate need for a Cost Accountant to join our Accounting Department.

Job Responsibilities:

- Create inventory part numbers including costing, lead time and replenishment details
- Maintain existing part numbers for updates and changes
- Review Bill of Materials for accuracy and costing information
- Generate monthly reports for sales and costing information
- Provide reporting including rebate and other reports vendors
- Work with multiple departments to review, analyze and reconcile job cost variances
- Participate in company and department Lean and Six Sigma projects to improve efficiencies and performance throughout the company
- Projects and reporting to review data in all areas of the business

The Requirements for the Ideal Candidate Include:

- Three years' experience in an Accounting role or similar experience/education
- Associate's or bachelor's Degree in Accounting
- Detail-oriented
- Ability to multi-task and problem solve
- Strong Excel and Access background
- Positive attitude and solid attendance record

We Offer:

- Wellness program – your very own personal fitness coach! And onsite chiropractor!
- Full tuition reimbursement for job-related courses
- Medical, dental, vision, short and long-term disability, 401k match, paid time off and more
- Profit sharing bonuses

To apply for this position e-mail, us at careers@gsglobalresources.com, include your resume and cover letter, along with desired salary.
